

CEAD MILE FAILTE

100,000 welcomes

100,000 Welcomes to the Great American Irish Fair and Music Festival, the largest exhibition of Irish music, song and dance in California. The Great American Irish Fair offers an Irish welcome to artisans, importers, and shopkeepers, and invites them to participate – and to make money - at the Irish Fair. Thousands of fairgoers truly make the Irish Fair a vendor's paradise.

Come to the Irish Fair!

The Irish Fair Foundation, Inc., sponsor of the Great American Irish Fair and Music Festival, is the most experienced Irish-American cultural and educational organization on the West Coast. The Foundation is non-sectarian and non-political, and its purpose is to preserve and promote Irish culture. The Foundation is a tax-exempt non-profit corporation under Section 501(c) (3) of the U.S. Internal Revenue Code. All donations to the Foundation are tax deductible as allowed by law.

Eldorado Regional Park III

is located just North of the 405 Freeway and borders the 605 Freeway. It is on the border between Los Angeles and Orange Counties border - a perfect and central location for everyone. Eldorado Regional Park is a vast grassy carpet of emerald green with lakes and forests galore. Truly reminiscent of the Emerald Isle. Great wifi connection along with easy access for the public and vendors alike - near enough to the beach to be cool in summer and far enough away to avoid the June gloom.
